Friend of 4-H Due September 10, 2021

The 4-H Leaders sponsor the Friend of 4-H award. This award will be presented at the 4-H Leaders' Banquet in October. It is suggested that a county person be honored at the banquet each year as a "Friend of 4-H Club Work". Any individual who is not an officially enrolled 4-H leader and who does much for the St. Croix County 4- H program is eligible for this award. If there are enough qualified nominations, an award is given in each of the four 4-H Districts.

Send in a name of a person from your community and tell us what he or she has done to aid 4-H.
