Live Training / Review Sessions in General Farming Please contact the UW PAT Program or your County Extension Office for available					Total \$	

Please contact the UW PAT Program or your County Extension Office for available General Farming training sessions with exams. Trainings typically occur in the winter months starting in January. You can also check the Extension Events Calendar at https://extension.wisc.edu/events/. You do NOT need to attend a training to take the test.

Online and Zoom Webinars may be available in General Farming

Please contact the UW PAT Program to register for available General Farming online or Zoom webinars.
