

The St. Croix Valley Master Gardener volunteers and the UW-Extension sponsor a community garden north of New Richmond, WI.

Plot Rental:

Gardeners may rent a garden plot at the site. A rental form can be obtained by calling or e-mailing the St. Croix County UW-Extension Office by downloading a form here:

Volunteers Needed to “Share the Bounty”:

A portion of the St. Croix Community Garden is grown and harvested by volunteers who then share the produce with senior centers and those in our community who are less fortunate. If you would like to help with the Share the Bounty Project in any way please call or e-mail the St. Croix County UW-Extension Office. The help of service organizations is always welcomed.
