This annual charity golf tournament creates resources used for scholarships, out-state learning trips, robotic programs and to reachout to non-4-Hers in Pierce, Polk, St. Croix and Dunn Counties. Thanks to your support, 4-H has proven results. According to a recent Tufts University study, young people in 4-H:

- Report better grades, higher levels of academic competence and an elevated level of engagement at school
- Are nearly two times more likely to plan to go to college
- Are more likely to pursue courses or a career in science, engineering or computer technology
- Are shown to have had significantly lower drug, alcohol and cigarette use than their peers
