Dear 4-H Families,

June is Dairy month, so I thought it was appropriate to talk about ice cream. Besides that fact, ice cream is my favorite summer snack. Breakfast, lunch, dinner...it doesn't matter when, ice cream will meet all my needs! Ice cream sundaes are even better. With all that creamy ice cream piled in a big bowl, covered in chocolate and caramel and nuts, and then topped with a bright red cherry...who could resist that?! Now, that cherry is only a tiny part of the entire sundae experience, but for some people it is the most important part. The county fair is like the cherry on top of the 4-H sundae, and as we enter the summer season and approach fair time, it is important to realize the significance of the fair and its relationship to the entire 4-H experience.

Think of the ice cream as the foundation of the 4-H program. The ice cream represents all the important skills you have learned and practiced throughout the year: project skills, communication, leadership, teamwork, responsibility, and so much more! Covering the ice cream is the chocolate and caramel sauce which represents all that you have done throughout the year. It is the monthly club meetings, project meetings, and countywide activities you have participated in. The nuts are the individual projects that you have created or worked on: that great photograph, awesome model airplane, your prize-winning chicken, or the play you created with your best friends. On the very top of the sundae is the cherry. The cherry is the county fair. The fair is one way you can show everyone what you have accomplished, what you have learned, and how you have grown in 4-H.

Did anyone notice that, compared to the entire sundae, the cherry is pretty little, right? That's because the fair is a small part of the entire 4-H program. Now remember, it's not unimportant (that cherry is the best part for many people), but don't forget the foundation to the cherry. Because a cherry alone can't be called a sundae, it takes the ice cream, the sauces, the nuts and the cherry to make a sundae. And it takes more than the fair to make a 4-H member. This summer, don't forget everything that helped to build upon your 4-H experience.

St. Croix County had two Key Award winners this year, Jacob Schurtz (Rustic Renegades 4-H Club) and Nathan Thompson (Lone Pine 4-H Club). They will receive their awards at the county fair in July.

The Wisconsin 4-H Key Award Program recognizes a select group of 4-H participants who demonstrate consistent growth in their 4-H involvement, developed and applied leadership skills, and actively participated in the functions of their 4-H club and community. Selection of Key Award recipients is based on an evaluation of the candidate's total 4-H record. To be eligible, candidates must be in 9th grade or above and must have completed at least three years of 4-H and one year of youth leadership. The Wisconsin Farm Bureau and its affiliate, Rural Insurance Companies, have sponsored the Wisconsin 4-H Key Award Program since 1974.

Club Challenges

Share your Club activities and earn up to \$100 for the Club year!

If your Club has participated in an activity in any of the national 4-H mandate areas (STEM, Healthy Living or Citizenship), you can earn up to \$50 each session. Each entry is \$25, limit two entries per session. See Entry Form for session dates and deadlines.

Send a picture along with the Entry Form describing the specific activity, number of members that participated and something interesting about that activity. It's that easy!

Examples could include robotics, lego activities, or bottle rockets – all activities that the Extension Office can assist with. Clubs could also host a math bowl, share their healthy living recreation activities or community service projects.

Not only is this a nice way to earn money for your Club, but this is also a way to share ideas with other Clubs.

June Dairy Month Packets

These packets are made available to 4-H Clubs by the 4-H Dairy Promotion Program. It's loaded with things your club might want to use to promote June Dairy Month. Successful dairy promotion reports will receive \$50 gift certificate towards merchandise

from the Wisconsin Cheese and Dairy Gear online store. Gift certificates will be issued beginning July 1, 2019 and will expire June 30, 2020. Submissions must include a photograph of your activity or event with your report no later than November 1, 2019. If your club is interested in receiving a kit, contact the UW-Extension Office.

4-H Fiscal Year ends June 30

Attention leaders and treasurers: the end of the state's fiscal year is also the end of our 4-H financial year. Having all your bank statements and your checkbook ledger up to date greatly helps you when completing your charter renewal forms, financial records, and excess funds plans. These forms will all be distributed in the Charter Renewal packets you will be receiving in August or you can request electronic fillable PDF version so these forms.

Completed Charter Renewal packets must be turned into the UW-Extension Office or postmarked by November 1, 2019.

Food Stand Update

Just wanted to let everyone know that the shifts are filled for this year's fair. Thanks to all the clubs that are willing to help. You will find a list of the clubs and their times in this newsletter. A list has also been sent to the leaders, along with the job descriptions and age recommendations.

A few guidelines that youth and adults should know about before they come to the stand:

- First aid kit is located on the wall by the back door
- A clean hat or hair net is required - (hairnets provided)
- Disposable gloves to be worn by food handlers (provided)
- No eating or drinking while in the stand working
- No cell phones while you are working
- Please don't bring any bags, coats, etc. We do not have room, a tote outside will be available to keep items in.
- No writing on or defacing the counter tops.
- Please be about 10 minutes early so you have time to get your hands washed and gloves on.
- At the end of your shift, make sure the next group is there and they know what to do.
- If you want some food or drink after your shift, please go outside to order and pay instead of carrying it out the back door.

With the Fair Plex raffle, the 50 cents off is ONLY good on a Meal.

The food coupons need to be signed by the person using them and may be used for up to \$5.00. No change is to be given!

Some coupons were given out at the May Fair that might be used this year also.

Would you please have one person be in charge of your group. They will be responsible to watch and make sure everyone is doing their job and acting properly. The leaders have a list of jobs for you to sign up for ahead of time.

We would like the 4-H Food Stand to be a friendly place for people to come and eat during the fair.

With your help it will be. Please remember to come to the stand a few minutes before your shift, so we have a smooth transition between the shift change. We are looking forward to another great year for the food stand!

Thank you to the clubs that have signed up to take shifts and to the members and leaders for working. The 4-H Food Stand schedule is listed at the end of the Communicator. Please refer to this so all workers are ready.

Thank you from the Food Stand Committee:
Mari, Dean & Jodi, Gary & Deb, Chris, Tom,
Connie, Heather and Alpha, Ashley, Eileen and Barb

Photography Meeting

We only have one and a half months before the fair? Are you ready? Do you have your eight pictures picked out or are you still out looking for the best one!!! I am looking forward to seeing all the photos in July!!!

Because we do not have any scheduled meetings this year, I have been posting in the Facebook page about the Basics of Photography. Please take part in these posts. The more interaction we get the more this will help the members that are new to the project and those that have been around for a while. Please ask questions as we do have photographers in the group that can help with the more in-depth learners (4 years plus in the project).

Here are those Five Basic Rules that we have talked about (a lot)!!

- Rule of Thirds
- Get Close
- Background
- Framing
- Leading Lines

If you are not sure about one of these please send me an email and/or ask on the Facebook page and I'll give an explanation and some examples ☺

As always please share your ideas by emailing or on the Facebook Page!!!

Our email is sccphotographyproject@gmail.com and the Facebook page is SCCPHOTOGRAPHYPROJECT (request to join and you will be accepted!).

4-H Animal Projects Subject to Premises ID Rules

Even if it's only one horse or one chicken, 4-H members who raise and show livestock are subject to the rules about "premise registration." The Wisconsin Premises Registration Act requires anyone who keeps, houses, or co-mingles livestock to register their premises effective November 1, 2005. Those premises currently licensed by the Department must register as part of their annual license renewal date.

Premises registration is not aimed solely at traditional large scale agriculture. A premise may house many animals or a single animal. It doesn't matter if the animals are for sale or not. If they house any of the listed species they are included:

Livestock as defined by the WI Premises Registration Act Rules includes:

- Bovine (bison, cattle)
- Equine (horses, donkey, mules)
- Goats
- Poultry (chickens, turkeys, geese, ducks, guinea fowl, and squab)
- Captive game birds (pheasants, quail, wild turkeys, migratory wild fowl, pigeons, and exotic birds)
- Sheep
- Swine (other than wild hogs but including pot belly pigs)
- Farm raised deer (elk, moose, caribou, reindeer, and the subfamily musk deer)
- Camelids (llamas, alpacas)
- Ratites (rheas, ostriches, emu, cassowary, kiwi)
- Fish (aquaculture farm)

Rabbits, mink, dogs and cats are not included in the WI Premises Registration Act.

How do I register?

1. Go to <http://www.wiid.org> and click on the link for WLIC Premises Registration
2. Call WLIC at 1-888-808-1910 for a registration form.

With your permission, a WLIC Agent may register on your behalf. For a list of WLIC Agents, visit <http://www.wiid.org>

3. Visit your county Farm Service Agency (FSA) office to pick up information and a premises registration form

4. Use an FSA computer to register. Please remember to include your premise ID number on your fair entry form.

State Fair Projects - help needed

The 4-H Leaders Association is looking for individuals who would be willing to drive St. Croix County exhibits to the Wisconsin State Fair. Entries need to arrive in Milwaukee on July 30 (between 8am – 12pm) and picked up on August 12 (between 8am – 12pm). There is a \$300.00 (each way) stipend for those willing to drop off and pick up. Please contact Heather if you are interested.

Potential State Fair Projects

It's our goal to show off your 4-H exhibits to more than just the folks who visit the county fair. Again this year at the fair, if your non animal exhibit gets one of these stickers on your entry tags after judging, your item is being considered to be entered at the Wisconsin State fair. Keep in mind that we have to follow the guidelines set forth by the state fair and that we will count on parents or leaders to get the items to and from the fair. If you are selected, we will have a meeting on Sunday at 1:00pm along the East side of the 4-H building. Our goal at this meeting is to cover some of the logistics for the exhibits. Looking forward to seeing you all at the fair.

Do you have neighbors that don't even know about 4-H or the County Fair? Why not make a special effort to stop, visit about 4-H and the fair and invite them to attend! It would be great to have more people exposed to the wonderful fair we have. Please do invite your neighbors to join us July 17-21 at the St. Croix County Fair.

Meat Animal Auction

Saturday, July 20, 2018 at 6:30pm

REMINDER to all exhibitors in the Beef, Sheep, Swine, and Goats Meat Animal program. The Meat Animal Auction day will continue to be on Saturday, July 20, 2019 at 6:30pm with a buyer appreciation meal at 5:30.

We want to better accommodate our buyers so they are not pressed to leave work and get to the fairgrounds for the auction. This also gives them the day to look at exhibits before the auction.

If you need help with how to talk to potential buyers or would like brochures please contact anyone on the meat animal committee for more information or resources.

Talent Show at the Fair

Sunday, July 21, 1:15 pm

The Talent Show at the Fair continues to grow in popularity! Maybe you will consider participating?

This is a Talent Show of amateurs, not professionals. There will be two categories: vocal and non-vocal. Within the two categories, there will be two age divisions (Youth and Teen) for State Fair qualifying, which are further divided into four age groups for the St. Croix County Fair. Age is determined as of July 1 of the current year.

Youth	2-9 years	10-12 years
Teen	13 to 15 years	16-18 years

First, second, and third places will be awarded cash prizes in each division and age group.

Pre-registration is recommended. The rules and a registration form can be found in the back of the St. Croix County Fair Premium List or by contacting Chuck Kruschke (715) 808-2559 or kruschke@frontiernet.net.

Fair Camper Registration

Due June 26

Warren and Lori DeBoer and adult volunteers will supervise exhibitors staying at the campground. If registering after June 26, contact them for payment arrangements. The campground is a community of

people with close living quarters, so it's essential to be respectful and follow these basic rules:

- No excessive noise after 11 pm
- No alcohol
- No running around
- No dogs allowed in campers or campground
- If friends stay with exhibitors at the campground, an adult **must** stay also
- One vehicle is allowed to park next to campsite

Individuals who violate the rules will be asked to leave. Youth who violate the rules; parents will be called to come and get the youth and won't be allowed to stay overnight the remainder of the fair.

Due to the shortage of parking space, we need to restrict parking in the camping area to ONE vehicle in the area. That vehicle **MUST** have the camping permit with site number written on it. Vehicles that need to come and go will need to purchase a parking pass. Failure to comply, may result in your vehicle being towed at your expense

Campground registrations are found in the back of the fair premium list or find online at http://www.stcroixcofair.com/fair/fair_book.htm. Questions - call Warren & Lori DeBoer at 715-491-0221. Staying in the barns is discouraged. If you choose to stay in the barns, complete the request form found at the end of this newsletter.

Supervising the campgrounds area is a huge job. Warren & Lori will need other adults who can help supervise the campground Wednesday through Saturday night. Supervisors' sign up form is in the back of this newsletter.

- Report better grades, higher levels of academic competence and an elevated level of engagement at school
- Are nearly two times more likely to plan to go to college
- Are more likely to pursue courses or a career in science, engineering or computer technology
