Offered **FREE** via
Zoom for
residents of
Dunn, Eau Claire,
and Pierce
counties and
across the state.

Parents participating in the Triple P seminar receive specific developmental and child development advice to optimize their child's development. Each seminar can be taken as a stand-alone or as part of an integrated series.

Seminar 1: The Power of Positive Parenting

This seminar introduces the five core principles of positive parenting:

- having a safe, interesting environment
- having a positive learning environment
- using assertive discipline
- having realistic expectations, and
- taking care of yourself as a parent/caregiver.

Seminar 2: Raising Confident, Competent Children

This seminar builds on the foundation seminar and shows parents how to teach children important values and skills, including:

- encouraging respect and cooperation
- being independent
- developing health self-esteem, and
- becoming good problem solvers.

Seminar 3: Raising Resilient Children

This seminar focuses on helping children learn emotional-regulation skills and shows parents how to teach their children about feelings, including:

- recognizing and accepting feelings
- expressing their feelings appropriately
- building positive feelings
- dealing with negative feelings
- developing coping skills, and
- dealing with upsetting or stressful life events.
