Locate Your Local Pantry

Food pantries reduce food waste by distributing free food to community members in need. Most food pantries have a service area like a school district. To find the pantry that serves you, it's hours, and address, call 211 (or call 877-947-2211 if you have a non-715 phone number).

Bring ID and Address

You will be asked to complete a simple registration form when you check in at your pantry. You do not need to show proof of income. Bring one proof of identification and one proof of address though.

Identification Examples:

Driver's License

School or Work ID

Birth or Hospital Record

Address Examples:

Utility Bill

Lease

Mail

Pass It On

Share what you learn about your food pantry with others who might benefit. Offer to show them the ropes or go together.
