Impact Essentials

Fall 2024

Data Tools for Community Impact

Join us for a five-part webinar series empowering nonprofit organizations and community partners in Western Wisconsin with essential data skills. Each 30 minute session includes high-level demonstrations, real-world applications, and interactive Q&A sessions. Attend all or select sessions.

Session Topics:

- ✓ Discover the 211 SDoH Dashboard
- ✓ Introduction to PolicyMap
- ✓ Exploring the Opportunity Atlas
- ✓ Utilizing the Wisconsin Health Atlas
- ✓ Leveraging County Health Rankings
